# How we measure the garment

## WIDTH

Measure from one side to the other at the level of the armhole.

## WAIST

Measure the waist with the garment laid flat, from one side to the other, along the upper seam.

## LENGTH

Measure from the shoulder seam down to the bottom hem of the garment.

***Our sizing and fit team measures each garment individually to help you find the perfect size.***

***It can be helpful to compare these measurements with those of a similar garment you already own. To do this, lay the garment on a flat surface and take all measurements from the outside.***
