How we measure the garment

WIDTH

Measure from one side to the other at the level of the armhole.

WAIST

Measure the waist with the garment laid flat, from one side to the other, along the upper seam.

LENGTH

Measure from the shoulder seam down to the bottom hem of the garment.

Our sizing and fit team measures each garment individually to help you find the perfect size.

It can be helpful to compare these measurements with those of a similar garment you already own. To do this, lay the garment on a flat surface and take all measurements from the outside.
