How we measure the garment

WAIST WIDTH

Measure horizontally across the waistband from side to side.

HIP WIDTH

Measure horizontally from side to side at the widest part of the hips.

HEM WIDTH

Measure horizontally across the leg opening at the hem.

OUTSEAM LENGTH

Measure from the top of the waistband down to the bottom hem along the side seam.

Our sizing and fit team measures each garment individually to help you find the perfect size.

It can be helpful to compare these measurements with those of a similar garment you already own. To do this, lay the garment on a flat surface and take all measurements from the outside.
